A celebration of the Italian spirit! This edition of AN ITALIAN JOURNEY includes over forty beautiful photographs of the gorgeous Tuscan countryside. The story begins with a girl. Then it was Italian food. After that it was books and discovering that even Mark Twain had fallen for Italy. E.M. Forster was smitten too: Love and understand the Italians, for the people are more marvelous than the land. WHAT IS IT ABOUT ITALY AND ITALIANS? Italian movies immortalize the mystique. Fellini called it La Dolce Vita. Tornatore's Cinema Paradiso took James Shaw back to the sweet memories of his childhood and the Italian family who operated the hometown theater. And just like in the movie, young James had an Alfredo who, by example, taught him about serving people. James learned that Italians don't feel they're special. Luigi Barzini, author of The Italians, repeatedly asked, Why are we the way we are? and found no conclusive answer. But James was convinced there was a reason why the Renaissance was born in Tuscany and Italy has given the world Saint Francis, Michelangelo, da Vinci, Galileo and now Benigni, whose film Life Is Beautiful showed the world that the Italian zest for living can even make a heaven of a hell. And so, after a lifetime of thinking about Italy James became convinced that the way to find out why Italians are the way they are, would be to eat with them at their kitchen tables. Day after day he picked their olives and the Italians began treating him like family. And James began seeing their unique human quality that attracts people to Italy and keeps pulling them back again and again. But the story doesn't end in the olive groves of Tuscany. To discover the heart of Italian life, James had to travel back to World War II Italy. An Italian Journey will inspire you to follow your passions, your enthusiasms, to your own Beautiful Discoveries. BELLA SCOPERTA!

Essentials Of Classic Italian Cooking Cookbook Get your copy of the best and most unique recipes from Anna Wilson ! When writer, photographer, and home cook Marcia Friedman converted to Judaism, her journey to connect with Jewish history and culture naturally led to her kitchen--already a touchstone to the Italian-American foods of her childhood growing up with a half-Sicilian father. Thus began Meatballs and Matzah Balls, Friedman's endeavor to explore the union of Jewish and Italian life through food and to recreate, as well as reinterpret, classics and craft her own Jewish-Italian culinary tradition. In Meatballs and Matzah Balls, Friedman shares reflections on her childhood, family, and exploration of Jewish and Italian culture that made her the person and cook she is today. The book features full-color photographs and more than 100 recipes, all of which can be made kosher. You'll savor this visit to a richly inspired Jewish-Italian kitchen, which offers classic and new recipes that will soon become favorites. In Italian, Yiddish, and Hebrew--Buon appetito, est gezunterhayt, and bete 'avon!
