Will you get stung by a Wasp or charge through the 1,200 questions and mow down the opposition like a Rhino? You will have to cast your minds back over the last two centuries to recall facts about the game 's origins, great players, cup competitions, clubs, stadiums, kit colours, nicknames, nationalities, field positions and much more if you want to be promoted to the Super League rather than face relegation. This is as much a treasure trove of rugby facts and figures as it is a quiz book and is guaranteed to get aficionADOS and families alike in a competitive scrum.
