Emunah (faith) and bitachon (trust) in Hashem are the pillars of a Jew's life. But how can one climb the heights of trusting in G-d? This book is the answer to the person who quests to deepen his relationship with his Creator. Organized according to the parashos of Bereishis through Yisro, the author weaves the words of our Sages--both classic and contemporary--along with astounding stories and vignettes to form a practical, comprehensive view of bitachon. Topics covered include: How much effort should a person invest in earning a livelihood?; Why so many trials in life?; How do you pay the rent when you have no money?; Emunah has the power to change nature, etc.

Retreating to her hometown after her motivational speaker boss dies from alcohol poisoning, a traumatized Grace Elland shares a dreadful blind date with a venture capitalist, who uses his skills as a former Marine to help her outmaneuver a stalker. By the best-selling author of *River Road*.

Volume one of a series, including the first two stories by co-authors Nina Jamesine and Jessie Keith. The stories are related but not sequential- they feature the same characters, but take place in separate universes. *A Little Bit of Trust*: Adrian has recently graduated college, and in moving into his new apartment expects to find nothing more unusual than maybe a mouse or two. What he catches in a trap, however, is not a mouse- it's a person. Charlie, a viri standing at only five inches tall, has been living in the apartment for years without being seen. Unfortunately, his luck has just run out. With a broken leg and no choice but to depend on a human, Charlie must befriend Adrian if either of them is to ever get their lives back to normal. *A Little More Trust*: It seems like an accident- after spilling some bleach in a supply closet at his college, Sawyer stumbles upon a person standing at only six inches tall. Colfax, a viri, is as stubborn as he is sarcastic, and the two of them struggle to get along. Even when Sawyer's best friend, Charlie, finds another viri - Adrian, Colfax's own childhood friend - the two smaller folk are nervous about their new human companions. Sawyer and Charlie, however, are not the humans that the two viri should be worrying about...

Persia is home to one of the few civilizations in the world that has had a continuous tradition of philosophical thought lasting more than two and a half millennia. From the time Zoroaster brought the Gathas, the sacred scripture of Zoroastrianism, until today, it has had a philosophical tradition comprising diverse schools and various languages including Avestan and Pahlavi as well as Arabic and Persian. The West has seen surveys of Persian art and anthologies of Persian literature, but this work is the first to present a millennial tradition of philosophy in Persia in the form of translated selections and introductory sections for each period and figure. Existing translations have been used where possible but most of the selections have been newly translated for this work which, with the help of the explanatory introductions, makes possible an intellectual journey into a philosophical continent much of which has been uncharted for Westerners until now. The fifth and final volume of *An Anthology of Philosophy in Persia* deals with some seven centuries of Islamic thought stretching from the era following the Mongol invasion to the end of the Qajar period. Organized around the cities which became the main centres of philosophical activity during this long period, the volume is divided into three parts: 'The School of Shiraz', whose importance not only for Persia but also for Ottoman Turkey and Muslim India is only now being recognized; 'The School of Isfahan', which marks the integration of some eight centuries of Islamic thought and culminates with Mulla Sadra; and finally 'The School of Tehran', where traditional philosophy first encountered modern thought in Persia, bringing this series into present times.

The *Sweet Magnolias* is now a Netflix Original Series! Return to the warm, cozy town of Serenity in this collection of classic stories from the *Sweet Magnolias* series by #1 New York Times bestselling author Sherryl Woods. *Sweet Tea at Sunrise* Emotionally wounded single mom Sarah Price has come home to Serenity for a fresh start. She's got the full support of her treasured best friends, but sometimes a woman needs more. Travis McDonald may be exactly what Sarah's broken self-confidence requires. He's intent on getting Sarah to work at his fledgling radio station...and maybe into his bed. Sarah has learned not to trust sweet words--can Travis show her he's the man to heal her heart? *Honeysuckle Summer* Her devastating marriage behind her, Raylene Hammond is so thankful that her best friends are sheltering her. Sheriff's deputy Carter Rollins understands why Raylene is trapped inside, and he's taken to bringing the outside world to her. But with two kid sisters to raise, how long can he wait for this woman who's stolen his heart but might never be strong enough to accept what he's offering? Maybe they'll never have more than this one sweet summer. *Midnight Promises* When Elliot Cruz first courted struggling single mom Karen Ames, it was a fantasy romance. The personal trainer made it his mission to restore Karen's strength--physical and emotional--and to charm her children. A few years into their marriage, colliding dreams threaten to tear them apart. Elliott's desire to finance a business opportunity stirs Karen's deep-rooted money insecurities, and an infidelity close to them puts their differences into perspective. Is their bond so strong they can triumph against all odds? Read the *Sweet Magnolias Series* by Sherryl Woods: *Book One: Stealing Home* *Book Two: A Slice of Heaven* *Book Three: Feels Like Family* *Book Four: Welcome to Serenity* *Book Five: Home in Carolina* *Book Six: Sweet Tea at Sunrise* *Book Seven: Honeysuckle Summer* *Book Eight: Midnight Promises* *Book Nine: Catching Fireflies* *Book Ten: Where Azaleas Bloom* *Book Eleven:*

Binary Noise Volume 2 is a science fiction story told through three vignettes - In a time when humans thrive throughout the Solar System, two sisters and a sentient being struggle to survive in extreme conditions, trying to trick death and find each other. Story 1 - HELLO SUNSHINE: Space immigrants, living and working at the low orbit solar farms around the Sun. A difficult and dangerous job accepted for the good pay and adventure... But how much is enough, when you realize happiness is not there? Story 2 - JUPITER'S EFFECT: An accident in space. A pilot and a sentient machine trapped inside of whatever was left of their spaceship, now caught by Jupiter's gravitational pull. An exit plan is desperately needed to escape from certain death. Story 3 - FAMILY TIES: In the Jovian Moon IO, Katerina a space pilot, and James a sentient machine are catching their breath after a miraculous escape from destruction on planet Jupiter. With a stolen spaceship in their hands, they intercept data indicating her young sister is also somewhere on IO. Now pilot and robot embark on a new journey to find little sister's whereabouts.

The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: * 4000 Words Defined * Word Analysis section * 200 Prefixes, Roots, and Suffixes * Concise, practical definitions

The Wiley Blackwell Anthology of African American Literature is a comprehensive collection of poems, short stories, novellas, novels, plays, autobiographies, and essays authored by African Americans from the eighteenth century until the present. Evenly divided into two volumes, it is also the first such anthology to be conceived and published for both classroom and online education in the new millennium. Reflects the current scholarly and pedagogic structure of African American literary studies Selects literary texts according to extensive research on classroom adoptions, scholarship, and the expert opinions of leading professors Organizes literary texts according to more appropriate periods of literary history, dividing them into seven sections that accurately depict intellectual, cultural, and political movements Includes more reprints of entire works and longer selections of major works than any other anthology of its kind This second volume contains a comprehensive collection of texts authored by African Americans from the 1920s to the present The two volumes of this landmark anthology can also be bought as a set, at over 20% savings.
