## **Profit from . . . Guilty About It**

Wholesale Simplified debunks that belief once and for all, showing dealers that they can appraise trades correctly and still profit from wholesale. In this transformative time for car dealers, Wholesale Simplified shifts the discussion from wholesaling at auction to becoming the auction and reveals the journey many dealers have undertaken to reinvent their wholesale departments.

Automotive suppliers can therefore be differentiated according to their value added stage. The supplier pyramid serves this purpose. The supplier pyramid represents the hierarchical order of the suppliers of an OEM (Original Equipment Manufacturer) - right up to the end product, i.e. the vehicle. This car manufacturer is at the top of the pyramid.
