The Big Blowdown - Wikipedia

In the Big Blowdown, Pelecanos paints a picture of life in DC, with two vets, Karras and Recevo, as the main characters, taking them from their teens to their thirties. As with Pelecanos' other books, the Washington DC setting is a character unto itself. The crime elements in this one aren't as pronounced as in the previous three Pelecanos book I've read, the Nick Stefanos trilogy, Nick being ...

The Big Blowdown was published in 1996. It already has many of the Pelecanos trademarks that you will still find in his stories 15 years later: camaraderie, cars, violence, smoking and poverty. It is part of the DC Quartet of Pelecanos books published from 1996 to 1999. Yes, that works out to one a year.

Karras and Recevo face off when organized crime threatens their old friend's establishment in a story that explores the seamier side of life surrounding Nick's Grill

Big Moose Lake in the Adirondacks transports the reader back in time to the days when steamboats, buckboards, and gas lighting were common. Jane and Mark Barlow deliver tales of one-room schools, of ice harvesting, of women who managed households accessible only by boat, of families struck by deaths from

tuberculosis or from drowning, of uncontrollable fires and stories of exuberant amusements such as primitive motorboat regattas. People arrived on the first railroad to stretch through the uninhabited Adirondack wilderness and helped establish a thriving community. Early trappers and hunters of the Adirondacks became guides there, eventually establishing permanent camps and hotels. Prosperous businessmen brought their families and built private summer homes.

For decades, the vast Adirondack wilderness has beckoned. Some, having sampled the treasury of Adirondack art and literature, are drawn by its spectacular beauty; many are lured by its year-round

sports and recreational opportunities; others are enticed by its health-giving qualities-the clear air, sparkling waters, and refreshing woodlands. The Adirondacks: 1931-1990 celebrates the years in which the six-million-acre preserve truly became a people's park. With some two hundred rare images, the book includes views of the Winter Olympics held at Lake Placid in 1932, attended by thousands from the world over. It applauds the American boys working in the CCC camps in the Adirondacks during the Great Depression. It follows the steamboats as they ply Lake George and the Fulton Chain and other lakes, as well as the railroads as they bring in more and more visitors. It traces the rise and fall of the grand hotels and their successors: the cabins, motels, cottages, second homes, and campsites of the motoring public. It highlights the music, the architecture, the animals, the crafts-the more recent
