The definitive primer on the world's most popular shoe: the basketball sneaker. Basketball shoes have a long and storied history both on and off the court. Back in the 1930s, a basketball sneaker was created for straight-up performance. Today, hoops footwear do double duty: they're designed for and by elite players, but to sneakerheads, how they look is nearly as important as how they perform. SLAM Kicks breaks down the path of the basketball sneaker, from the birth of the very first iconic shoe, the Converse Chuck Taylor All-Star, to the white-hot best-selling cultural-phenomenon Nike Air Jordan sneaker line. This book showcases the hottest basketball kicks over time, throwbacks and new shoes alike, covering each legendary sneaker and its design, the technical advancements found in the shoe, the athletes who made the shoe famous, and the cultural waves the footwear has made off the basketball court. Featured sneakers also include the Adidas Jabbar, the Puma Clyde, the Nike Air Force One, the Reebok Question, the AND1 Tai Chi, the Nike Zoom Kobe IV, and many others. SLAM Kicks: Basketball Sneakers That Changed the Game is the perfect gift for basketball-sneaker fans and street-fashion enthusiasts alike.

After losing everything, the young and emotionally numb Moe, holds onto what she can. Whether it be her blue beanie, comics, or fading memory. Sent to live with her distant relatives in their desolate neighborhood, Moe searches for anything that might bring her peace and allow her to escape from the everyday. At times she can find tranquility in the local creek. Other times can come from the bizarre interactions with the other local children who invite her into their fold. But escape is never easy. A violent local bully thaws her cold attitude and proves that Moe must grow up fast if she wishes to survive the foreign world she is thrust into. Before I Forget is a book showcasing the desire to pursue peace, whatever the cost and always. It is a story of maturity under devastating circumstances. And to always keeping the idea of escape alive.
