The dark woods of Maine have been the setting for many eerie and unexplained events, none more captivating than sightings of a giant hominid known as Bigfoot. But what makes this corner of New England such a perfect place for this cryptid to live? Learn about the ecology and geography that support the legend and meet the people forever changed by close encounters with it. From previously unpublished eyewitness accounts to modern-day media portrayals, author and illustrator Michelle Souliere presents this detailed history of the phenomenon and folklore that has lurked in shadows for generations.

Personal finance application for management of all money matters. 4-page laminated guide includes: • Quicken guided setup • the user interface • accounts • registers & transactions • categories & transfers • classes • reports & graphs • account centers • cash flow center • investing center • financial overview center • online center • customizing Quicken • backing up & restoring • password • emergency records organizer

Jaxon Malone is a Captain in the Air Force for the Earth World Government. She is sent on an espionage mission to the alien planet of Katiera. She finds herself torn between her loyalties to her home world Earth, and the new feelings she is developing towards the people of Katiera and their Commander. Will she choose to break the ties that bind her to a dying home world? Or . . . Will she embrace her new life, and with it, a love far greater than any she could have imagined?Prime Commander KydEL must negotiate an alliance between the two alien nations of Kiljor and Katiera. The moment he meets the female warrior from Earth; she turns his world upside down. She causes unexpected mating urges to rise up within him. It is distracting and disruptive. He makes every effort to ignore her, and the mating urges. Will he be able to succeed with the negotiations before an all-out war descends? Will he overcome the mating urges or will he finally give in to them? Will he wait too long and lose her to a rival?

Are you looking for a great gift for your friend who loves BMX? This is an empty Biking notebook or journal to write or sketch in. Makes a great gift for biker, stunt or trink enthusiasts. Use it as a log book, diary, sketchbook or even as a daybook to take notes whenever necessary. Details: - Blank Pages - 110 pages - 6 inches x 9 inches - Matte cover - White paper

DIVStore your notes, journal entries, and daily beekeeping records, observations, and to-do lists within the pages of this beautiful and inspirational journal./divDIV Â /divDIVThe Beekeeper â €™s Journal is the perfect tool for beekeepers and beekeeping enthusiasts to keep their thoughts, recipes, inspirations, sketches, to-do lists and more. Photographs and illustrations on each spread complement the helpful tips, anecdotes, ideas, recipes, how-to and images from beekeeping expert, Kim Flottum. This book is not only a useful tool, but the perfect keepsake for avid beekeepers and those who aspire to keep bees./div

The Backyard Beekeeper, now in its revised and expanded third edition, makes the time-honored and complex tradition of beekeeping an enjoyable and accessible backyard pastime that will appeal to gardeners, crafters, and cooks everywhere. This expanded edition gives you even more information on "greening" your beekeeping with sustainable practices, pesticide-resistant bees, and urban and suburban beekeeping. More than a guide to beekeeping, it is a handbook for harvesting the products of a beehive and a honey cookbook--all in one lively, beautifully illustrated reference. This complete honey bee resource contains general information on bees; a how-to guide to the art of bee keeping and how to set up, care for, and harvest honey from your own colonies; as well as tons of bee-related facts and projects. You'll learn the best place to locate your new bee colonies for their safety and yours, and you'll study the best organic and nontoxic ways to care for your bees, from providing fresh water and protection from the elements to keeping them healthy, happy, and productive. Recipes of delicious treats, and instructions on how to use honey and beeswax to make candles and beauty treatments are also included.

"Christina Moore uses her talent for storytelling to create a more narrative-like tale....An attractive offering for listening centers and for young children interested in nature and science." -School Library Journal

Ready to take your beekeeping skills to the next level? In *Business with Bees* provides the answers you need. This book takes serious beekeepers past the beginning stages and learning curves and offers practical, useful advice to move your passion into a part-time or full-time career with measurable results. This beekeeping business how-to guide offers all of the in-depth advice you need, in one place. Writing a business plan Finding the best sources for funding Determining what your facilities will be and how to acquire them Getting and installing the right equipment Cooperating with other local businesses Stocking inventory and managing warehouse space Finding customers Raising and selling queens, packages, and nucs Expanding pollination, including contracts to protect you Making and selling peripheral products from wax, propolis, and honey Organizing teaching, speaking, and planning events Hiring and managing your growing team Promoting your business Measuring your success This book provides solutions for all your beekeeping business questions, from start to finish. With this knowledge, you can become as knowledgeable, confident, and successful in running a business as you are in beekeeping.
