chaparral is constantly seeking ways to improve the specification, design, and production of its boats. alterations take place continually. while every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular boat.

~~Chaparral :: Parts Guides~~

The Northeastern U.S. has a tradition steeped in boating. From the St. Croix River, south to the Chesapeake Bay the waterways of this region are traveled by millions of boaters each year.
