Why Democracy needs Christianity: Maritain explains that in a society unleavened by religious ideals, an enduring democracy can never take root. And once a religious people abandons its faith, even the greatest democracy must wither and die.

Christianity, Democracy, and the American Ideal: A Jacques ...
And what does this tell us about the relationship between Christianity and democracy in the United States? American Babylon places our present political moment against a deep historical backdrop. In Part I the author traces the development of democratic institutions from Ancient Greece through to the American Revolution and of Christian political theology from Augustine to Falwell.

American Babylon: Christianity and Democracy Before and ...
No wonder, says Maritain, that American democracy — which arose from a Christian people — has served so well and lasted so long. Here Maritain shows that in a society unleavened by religious ideals, an enduring democracy can never take root. And once a religious people abandons its faith, even the greatest democracy must wither and die.

Christianity, Democracy, and the American Ideal | Sophia ...
I'm not arguing that Christianity has to be authoritarian and anti-democratic. Instead, I want people to realize that the recent history of Christianity's acceptance of democracy and popular sovereignty is just that: recent. Contrary to what some Christians say, it's not inherent in or mandated by Christianity — especially since so many of the same Christians also work towards reductions in democratic liberty and personal autonomy in so many political contexts.

Is Christianity Compatible with Democracy?
Thus, democracy, understood as the life of the political community, in which are admitted both (a) a fundamental equality of human rights, and (b) a diversity of functions in the pursuit of the common good, is the final political flowering of the trans-political Gospel values, as Jacques Maritain endeavored to show, even though, also according to the Gospel, there are many systems of implementing this democracy, depending on the local culture, and the Church is not bound to any particular ...

The influence of Christianity on Modern Democracy ...
In the modern age, the story of the democratic state was founded on the cornerstone of Western Christian civilisation with the belief that if God made all equal, then some are not more equal than others. The development of democracy in England and the U.S. was a slow process of the gradual transition of power from the crown or state to the people.

Democracy and Christianity
No wonder, says Maritain, that American democracy—which arose from a Christian people—has served so well and lasted so long. Here Maritain shows that in a society unleavened by religious ideals, an enduring democracy can never take root. And once a religious people abandons its faith, even the greatest democracy must wither and die.

Christianity, Democracy, and the American Ideal: A Jacques ...
Christian democracy is a political ideology that emerged in 19th-century Europe under the influence of Catholic social teaching, as well as neo-Calvinism. It was conceived as a combination of modern democratic ideas and traditional Christian values, incorporating the social teachings espoused by the Catholic, Lutheran, Reformed, and Pentecostal traditions in various parts of the world. After World War II, Catholic and Protestant movements of Neo-scholasticism and the Social Gospel, respectively,

Christian democracy - Wikipedia
Winner of the 2017 Alpha Sigma Nu Award The collapse of communism in eastern Europe has forced traditionally Eastern Orthodox countries to consider the relationship between Christianity and liberal democracy. Contributors examine the influence of Constantinianism in both the post-communist Orthodox world and in Western political theology.
