City of Salt (2020) - IMDb

The 'cities of salt' is a historical discourse of maintaining monopoly over people of rich resources. It is removing the dust of lies over the claim of emperor and leading the reader towards a truth. And that truth is Arab Rulers maintained their power with the help of west and suppressed their people from rights of resources.

Amazon.com: Customer review: Cities of Salt

Cities of Salt is the story of the destruction and the diaspora of a poor oasis community in an unnamed kingdom in the Persian Gulf, following the discovery of oil there. It narrates the evolution of the modern-day Gulf states from the perspective of the people whose lives have been upended with the arrival of the Western oil companies.
