It is not. If you have the previous book, don't waste your money. The author apparently believes that none of the Case knives past the late 1990's are considered collectible. Many Case knives that should be in the book, at least for identification purposes are not listed. It is a great disappointment. The previous edition was also easier to use.

Knife collecting is a hobby which includes seeking, locating, acquiring, organizing, cataloging, displaying, storing, and maintaining knives. Some collectors are generalists, accumulating an assortment of different knives. Others focus on a specialized area of interest, perhaps bayonets, knives from a particular factory, Bowie knives, pocketknives, or handmade custom knives.
