Andrew: So the number one point I want to start with is, if you're thinking about selling a business you really want to sell before you need to. If you get to the point where you absolutely have to sell it's probably not going to work out the best for you. You want to sell when revenues and profits are on the upswing.

wealth and freedom

Journals and books you've been reading and going to the masterminds and conventions and seminars you've been attending haven't led to any breakthroughs. When your notepads full of "proven best practices" should have brought you to the next level but haven't. In this paradigm-shifting work, serial entrepreneur Patrick Gentempo explains why the primary question you need to ask as a business leader is "Who should we be?" While it makes sense and may sound pretty easy, it's actually one of the hardest questions an entrepreneur can ask no matter the scale of business
