Every time the lights go out, someone dies... The TARDIS lands at an academy for top athletes, all hoping to be chosen for the forthcoming Globe Games. But is one of them driven enough to resort to murder? The Doctor discovers that the students have been hushing up unexplained deaths. Teaming up with a young swimmer called Emma, the Doctor begins to investigate - but he doesn't expect to find a squad of Sontarans invading the academy! As the Sontarans begin their own lethal version of the Globe Games, the Doctor and Emma must find out what's really going on. But the Doctor is captured and forced to take part in the Sontaran Games. Can even a Time Lord survive this deadly contest? Featuring the Doctor as played by David Tennant in the acclaimed Doctor Who series from BBC Television.

Embark on a strange and enchanting adventure with old foes and monsters in this glorious crossover of Doctor Who and The Wonderful Wizard of Oz. When a sudden tornado engulfs the TARDIS, the Thirteenth Doctor and her fam find themselves transported to the magical land of Oz. With a damaged TARDIS and an unexpected stowaway from the 1930s, their only hope of getting home is to follow the yellow brick road. But when an army of scarecrows ambushes them, they quickly realise that everything is not as it should be, and they're thrown into a fight for survival against a mysterious enemy. As each of her companions becomes a shadow of their former selves, only the Doctor is left standing. Desperate to save her friends, she must embark on a perilous journey to seek help from the mysterious Wizard of Oz - and stop whatever forces are at work before she and her friends are trapped in the fictional world forever.

The Novrosk Peninsula: the Soviet naval base has been abandoned, the nuclear submarines are rusting and rotting. Cold, isolated, forgotten. Until the Russian Special Forces arrive and discover that the Doctor and his companions are here too. But there is something else in Novrosk. Something that predates even the stone circle on the cliff top. Something that is at last waking, hunting, killing. Can the Doctor and his friends stay alive long enough to learn the truth? With time running out, they must discover who is really responsible for the Deviant Strain... Featuring the Ninth Doctor as played by Christopher Eccleston, together with Rose and Captain Jack as played by Billie Piper and John Barrowman in the hit Doctor Who series from BBC Television.

In 1920s London the Doctor and Rose find themselves caught up in the hunt for a mysterious murderer. But not everyone or everything is what they seem. Secrets lie behind locked doors and inhuman killers roam the streets. Who is the Painted Lady and why is she so interested in the Doctor? How can a cat return from the dead? Can anyone be trusted to tell or even to know the truth? With the faceless killers closing in, the Doctor and Rose must solve the mystery of the Clockwise Man before London itself is destroyed... Featuring the Doctor and Rose as played by Christopher Eccleston and Billie Piper in the hit series from BBC Television

On a lonely stretch of Welsh coastline a fisherman is killed by a hideous creature from beneath the waves. When the Doctor and Rose arrive, they discover a village where the children are plagued by nightmares, and the nights are ruled by monsters. The villagers suspect that ancient industrialist Nathaniel Morton is to blame, but the Doctor has suspicions of his own. Who are the ancient figures that sleep in the old priory? What are the monsters that prowl the woods after sunset? What is the light that glows in the disused lighthouse on Black Island? As the children's nightmares get worse, The Doctor and Rose discover an alien plot to resurrect an ancient evil... Featuring the Tenth Doctor and Rose as played by David Tennant and Billie Piper in the hit Doctor Who series from BBC Television.

At the heart of the ruined city of Arcopolis is the Fortress. It's a brutal structure placed here by one of the sides in a devastating intergalactic war that's long ended. Fifteen years ago, the entire population of the planet was killed in an instant by the weapon housed deep in the heart of the Fortress. Now only the ghosts remain. The Doctor arrives, and determines to fight his way past the Fortress's automatic defences and put the weapon beyond use. But he soon discovers he's not the only person in Arcopolis. What is the true nature of the weapon? Is the planet really haunted? Who are the Eyeless? And what will happen if they get to the weapon before the Doctor? The Doctor has a fight on his hands. And this time he's all on his own. Featuring the Tenth Doctor as played by David Tennant in the hit sci-fi series from BBC Television

'Hello, sweetie!' Melody Pond, Melody Malone, River Song..She has had many names. Whoever she really is, this archaeologist and time traveller has had more adventures (and got into more trouble) than most people in the universe. And she's written a lot of it down. Well, when you're married to a Time Lord (or possibly not), you have to keep track of what you did and when. Especially as it may not actually have happened to both of you yet. These are just a few of River Song's exploits, extracted from her journals. Sometimes, she is with the Doctor. Sometimes she's on her own. But wherever and whenever she may be, she is never far from danger and excitement. This is just a tiny portion of her impossible life. But it will reveal more than you've ever known about the legend that is River Song.
