believe I'm in danger. As Bethany approaches her thirteenth birthday, her parents begin acting more oddly than usual: Her mother cries constantly, and her father barely lets Bethany out of his sight. Then one morning he hustles the entire family into the

Download Ebook Double Ideny

car, drives across several state lines -- and leaves Bethany with an aunt she never knew existed. Bethany has no idea what's going on. She's worried that her mom and dad are running from some kind of trouble, but she can't find out because they won't tell her

Download Ebook Double Ideny

where they are going. Bethany's only clue is a few words she overheard her father tell her aunt Myrlie: "She doesn't know anything about Elizabeth." But Aunt Myrlie won't tell Bethany who Elizabeth is, and she won't explain why people in her small

Download Ebook Double Ideny

town react to Bethany as if they've seen a ghost. The mystery intensifies when Bethany gets a package from her father containing four different birth certificates from four states, with four different last names -- and thousands of dollars in cash. And

Download Ebook Double Ideny

when a strange man shows up asking questions, Bethany realizes she's not the only one who's desperate to unravel the secrets of her past. In this exhilarating thriller, Margaret Peterson Haddix crafts a taut story so full of twists and turns,

Download Ebook Double Ideny

readers will be gripped until the startling conclusion.

The aim of this book is to show that seemingly illogical double identity of the townsman, Sukeroku, and the samurai, Soga Goro, in the play Sukeroku is a

Download Ebook Double Ideny

surviving element of what was once a complex and coherent structure based on a traditional performance calendar. To show how the calendar function and what Sukeroku's double identity signifies, the book is divided into two parts. Part One studies the

Download Ebook Double Ideny

structure of Edo kabuki. The first chapter, which outlines that structure, is based for the most part on writings of the Tokugawa period. The second chapter then looks at the concepts of sekai, "tradition," and shuko, "innovation." Kabuki was the

Download Ebook Double Ideny

product of material that had become a familiar part of Japanese culture by repeated use and dramatization over long periods of time, starting before kabuki began, and material that was relatively new and was used to transform the older, set

Download Ebook Double Ideny

material. The double identity in Sukeroku came about as a result of this interplay between what was received by way of traditional and what was added by way of innovation. Part Two considers the significance of the double identity. The author concludes

Download Ebook Double Ideny

that Sukeroku's double identity gave Edo audiences a hero who was an idealization of the contemporary Tokugawa townsman and at the same time a transformation of a samurai god-hero of the past. The first chapter of Part Two traces the

Download Ebook Double Ideny

development of Sukeroku's Soga Goro/samurai identity, from its origins in the early dramatic forms of no, kowaka, and kojoruri, to the representation of Soga Goro in kabuki by Ichikawa Danjuro I. The second then looks at the transformation of Soga

Download Ebook Double Ideny

Gorinto Sukeroku by discussing the origins of Sukeroku and its introductions to Edo kabuki by Ichikawa Danjuro I and his son, Danjuro II, since their work was the basis of all later developments.

How do children determine which
identity becomes paramount as

Download Ebook Double Ideny

they grow into adolescence and early adulthood? Which identity results in patterns of behaviour as they develop? To whom or to which group do they feel a sense of belonging? How might children, adolescents and young adults negotiate the gap between their

Download Ebook Double Ideny

own sense of identity and the values promoted by external influences? The contributors explore the impact of globalization and pluralism on the way most children and adolescents grow into early adulthood. They look at the

Download Ebook Double Ideny

influences of media and technology that can be felt within the living spaces of their homes, competing with the religious and cultural influences of family and community, and consider the ways many children and adolescents have developed

Download Ebook Double Ideny

multiple and virtual identities which help them to respond to different circumstances and contexts. They discuss the ways that many children find themselves in a perpetual state of shifting identities without ever being firmly grounded in one,

Download Ebook Double Ideny

potentially leading to tension and confusion particularly when there is conflict between one identity and another. This can result in increased anxiety and diminished self-esteem. This book explores how parents, educators and social and health workers might have a

Download Ebook Double Ideny

raised awareness of the issues generated by plural identities and the overpowering human need to belong so that they can address associated issues and nurture a sense of wholeness in children and adolescents as they grow into early adulthood.

Download Ebook Double Ideny

This book makes an innovative contribution to the relatively young field of Queer Linguistics. Subscribing to a poststructuralist framework, it presents a critical, deconstructionist perspective on the discursive construction of

Download Ebook Double Ideny

heteronormativity and gender binarism from a linguistic point of view. On the one hand, the book provides an outline of Queer approaches to issues of language, gender and sexual identity that is of interest to students and scholars new to the field. On the

Download Ebook Double Ideny

other hand, the empirical analyses of language data represent material that also appeals to experts in the field. The book deals with repercussions of the discursive materialisation of heteronormativity and gender

Download Ebook Double Ideny

binarism in various kinds of linguistic data. These include stereotypical genderlects, structural linguistic gender categories (especially from a contrastive linguistic point of view), the discursive sedimentation of female and

Download Ebook Double Ideny

feminine generics, linguistic constructions of the gendered body in advertising and the usage of personal reference forms to create characters in Queer Cinema. Throughout the book, readers become aware of the wounding potential that gendered

Download Ebook Double Ideny

linguistic forms may possess in
certain contexts.
