The Debau Company is headed to a point of no return. The radicals within the company have made their move and deposed the conservative faction, all the while steering the northlands closer to the brink of open battle. A certain wolf rushes South as fast as her paws can carry her, but can Lawrence and the Myuri Mercenary Company hold back the flames of war long enough for a chance at lasting peace?

Several years have passed since the incidents surrounding the Coin of the Sun. Having received a letter from Holo, Norah the former shepherdess and Eve the merchant woman travel north--and on the way, they end up in the same wagon as Diana the alchemist! Were Lawrence and Holo able to find happiness for themselves? In addition to an epilogue covering the days immediately after the events of Volume 16, this final book in the Spice and Wolf series includes three new short stories!

Previously, Lawrence and Holo traveled to the town of Svernel in order to meet with the Myuri Mercenary Company and find out more about Holo's past companions and her home. But now Lawrence has gotten completely caught up in the political strife of the Debau Trading Company. It all surrounds the Debau Company's desire to issue a new currency, with which they have apparent plans to unite the surrounding northern region. For their aim, the Debau Company needs to acquire raw ore and materials but this has caused their opponents to increase their own efforts to foil this plan. In the middle of all this, Lawrence is trusted with delivering a forbidden text detailing the necessary mining techniques to the trading company's executive, Hilde Schnau but will it really go so smoothly?!

The young man Col dreams of one day joining the holy clergy and departs on a journey from the bathhouse "The Spice and Wolf Inn," owned by his savior, Lawrence. The Winfil Kingdom's prince has invited him to help correct the sins of the church. But as his travels begin, Col discovers in his luggage a young girl with a wolf's ears and tail named Myuri who stowed away for the ride! In the past, Col had accompanied the wisewolf Holo and the traveling merchant Lawrence on their own wanderings, eventually growing up alongside their daughter, Myuri as siblings. But as Col prepared to set off, Myuri opposed his departure and so she secretly ran away from home to join him! This is the story of Wolf and Parchment, and the pair's travels that will someday change the world!

Lawrence and Holo have settled into an idyllic life together after opening the Spice and Wolf bathhouse, but their happy marriage is suddenly intruded upon by an unexpected guest. During Nyohhira's sleepy off-season, the gruff stranger wanders alone from door to door as if in search of fleeting memories from long ago. Soon after his silent arrival, rumors about the possible construction of a rival hot spring village begin to spread. To protect their new home, the wise wolf and the cunning merchant return to the town of Svernel, but what they find there may spell the end of their adventures for good...

The life of a traveling merchant is a lonely one, a fact with which Kraft Lawrence is well acquainted. Wandering from town to town with just his horse, cart, and whatever wares have come his way, the peddler has pretty well settled into his routine-that is, until the night Lawrence finds a wolf goddess asleep in his cart. Taking the form of a fetching girl with wolf ears and a tail, Holo has wearied of tending to harvests in the countryside and strikes up a bargain with the merchant to lend him the cunning of "Holo the Wisewolf" to increase his profits in exchange for taking her along on his travels. What kind of businessman could turn down such an offer? Lawrence soon learns, though, that having an ancient goddess as a traveling companion can be a bit of a mixed blessing. Will this wolf girl turn out to be too wild to tame?

As with the first Side Colors volume, Side Colors II departs once more from Lawrence and Holo's travels north, taking the reader off the beaten path to explore three exquisite side stories. Remember, it's not so much about the destination, as it is the journey...
