This funny book is about freedom, creativity, the Internet and the new world of work. This is a very fast read of about 120 pages with many drawings (which some are a little strange, but art is art). Nonetheless, it is an interesting read, particularly if you are blogging or have interests in new media.

This is a book about freedom. Specifically the personal freedom I discovered from the wonderful world of blogging, the freedom I hope everybody will eventually discover for themselves. The freedom that, I believe, will permanently and irrevocably change the world for the better. Having a blog, a voice, having my own media, utterly changed my life. Suddenly my career as a cartoonist wasn't dependent on other people: “ The Gatekeepers ” —publishers, editors, Hollywood executives, etc., etc. Suddenly I had direct contact with my audience. They had direct contact with me. I could just do my thing, without having to wait for somebody else to give me the “ green light. ” I didn't have to wait around for somebody else to deem me “ worthy. ” This was the freedom I spent most of my adult life searching for, the same freedom I believe we're ALL searching for, in one way or another. Careerwise, blogging gave me everything. Even in the early days, the benefits of blogging were so glaringly obvious to me, I couldn't understand why more people weren't doing it. Ten years later, I still can't. So I decided to write a book about it; maybe I can help other people find this freedom, too. —Hugh

this book is written to better understand the blogging world

In the wake of labor market deregulation during the 2000s, online content sharing and social networking platforms were promoted in Japan as new sites of work that were accessible to anyone. Enticed by the chance to build personally fulfilling careers, many young women entered Japan's digital economy by performing unpaid labor as photographers, net idols, bloggers, online traders, and cell phone novelists. While some women leveraged digital technology to create successful careers, most did not. In *Invisibility by Design* Gabriella Lukács traces how these women's unpaid labor became the engine of Japan's digital economy. Drawing on interviews with young women who strove to sculpt careers in the digital economy, Lukács shows how platform owners tapped unpaid labor to create innovative profit-generating practices without employing workers, thereby rendering women's labor invisible. By drawing out the ways in which labor precarity generates a demand for feminized affective labor, Lukács underscores the fallacy of the digital economy as a more democratic, egalitarian, and inclusive mode of production.

Become a Successful Blogger, Conquer the Blogging Market and Secure Your Financial Freedom! During the last decade, blogging has slowly but surely developed into an extremely profitable business. Bloggers have made a revolution in turning what started as a hobby, into a moneymaking enterprise, and are very successful entrepreneurs. If you're wondering how to become one of them, start a blogging business, and generate healthy and impressive passive income, keep reading! Starting a blog is not hard. Maintaining a successful blog and making a profit is, on the other hand, incredibly hard. By some statistics, over 80% of bloggers never make it. The market is overly saturated with blogs, and it's extremely challenging to create content that will stand out, attract a larger audience and generate considerable profit. This book will reveal to you the secrets of successful blogging, techniques you can use to create a recognizable brand, and insiders tips to avoid beginners' mistakes that might turn out to be crucial in this "make it or break it" endeavor. From choosing a niche, determining a target audience, using Wordpress and monetizing your blog, this book has it all. Let it guide you as a mentor on the road to success! Here's what you'll learn: How to set up a blog built on profitable foundations from the start! How to install and use Wordpress, the success generating platform Why using Wordpress will help you make money with your blog How to find the best niche for your content, and stand out among other bloggers Techniques for creating engaging, high-quality content that will attract a large audience Strategies for monetizing your blog and making a serious profit And much more! Beginners will profit extremely from this book, but it will also help those of you who already own a blog to and want to turn it into a successful business. If you haven't had much success so far, implement the insiders' techniques and tips you'll find in this book to build a blog that will secure your financial freedom! You'll only need an Internet connection, your creativity, and this book to become a successful, recognizable blogger! So Scroll up, click on "Buy Now with 1-Click", and Get Your Copy Now!

Here is the essential how-to guide for communicating scientific research and discoveries online, ideal for journalists, researchers, and public information officers looking to reach a wide lay audience. Drawing on the cumulative experience of twenty-seven of the greatest minds in scientific communication, this invaluable handbook targets the specific questions and concerns of the scientific community, offering help in a wide range of digital areas, including blogging, creating podcasts, tweeting, and more. With step-by-step guidance and one-stop expertise, this is the book every scientist, science writer, and practitioner needs to approach the Wild West of the Web with knowledge and confidence.

Written by a well-known intellectual freedom advocate, this book is a one-stop source for school librarians on intellectual freedom and privacy issues that blends principles with best practices.

The popularity of Weblogs, or "blogs," has prompted many questions such as: Should blogging about a candidate be considered a political advertisement, subject to campaign finance laws? This book tackles these issues by examining this topic from different angles.

Clear Blogging, an Apress Technology in Action book, answers in non-technical terms what blogging has to offer and why and how you should blog. If you've never read a blog, but keep hearing that term on the news, Clear Blogging shows why blogging has shaken up mainstream media, and how you could end up on CNN. If you've just begun reading blogs, it's your travel guide to the Blogosphere. Includes 50 interviews with successful bloggers

who influence products, policy makers, potential employers and millions of readers and gain an online reputation - and real profits - from blogging.

Provides information for crafters and artists on creating a successful blog, covering such topics as cropping and sizing photographs, adding graphics, establishing links, and attracting an audience.

A great book is no longer enough. An author platform is the most powerful key to success in today's saturated market, and increasingly, publishers are demanding that new authors come to them with an existing audience of interested followers. Authors who are self-publishing have an even bigger need to build an engaged audience. Social media makes building the author platform easier than ever, but, unfortunately, most authors struggle to get it right. How can authors create their unique platform, connect with followers, write a manuscript, and grow their business? In *Build Your Author Platform: The New Rules*, top literary agent Carole Jelen and tech expert Michael McCallister apply their combined 35 years of expertise to outline 14 practical, hands-on steps to create a presence that will produce high book sales and expanded audience. From pre-publication through book launch and beyond, authors will learn how to:

- Define goals and a unique brand
- Employ successful website strategies, content, social presence, media authority, and training
- Secure positive reviews
- Attract viewers efficiently without cost

Filled with detailed lessons, examples, success stories, and techniques used by marketing departments at major publishers, *Build Your Author Platform* is an indispensable guide for anyone looking for insight into publishing, promoting, and marketing books.
