Manuel del Guerrero de la Luz es uno de los libros más esperados del autor de El Alquimista, el bestseller internacional que ha fascinado a millones de lectores en el mundo entero. Los textos que se reúnen en este libro nos recuerdan que en cada uno de nosotros vive un guerrero de la luz, alguien capaz de escuchar el silencio de su corazón. Nos invitan a vivir nuestros sueños, aceptar la incertidumbre, alzarnos ante nuestro propio destino y seguir el camino del guerrero, el camino de aquel que sabe valorar el milagro de la vida, aceptar las derrotas sin dejarse abatir por ellas y cuya búsqueda lo lleva a convertirse en quien quiere ser. Paulo Coelho, con más de 47 millones de libros vendidos, no es sólo uno de los autores más leídos del mundo, sino también uno de los escritores con mayor influencia de hoy en día. Lectores de más de 150 países, sin distinción de credos ni culturas, le han convertido en uno de los autores de referencia de nuestro tiempo.

A week in the life of ordinary people, all of whom find themselves suddenly confronted by love, death, and power in this thematic collection featuring three of Coelho's stories: By the River I Sat Down and Wept, Veronika Decides to Die, and The Devil And Miss Prym.

'Sublime' Carys Davies, author of West 'Beautiful and devastating' Sara Taylor, author of The Shore Stan has been hunting for fossils since the age of six. Now, in the summer of 1954, he hears a story he cannot forget: the skeleton of a huge creature - a veritable dragon - lies deep in an Alpine glacier. And he is determined to find it. But Stan is no mountaineer. To complete his dangerous expedition, he must call on loyal friend Umberto, who arrives with an eccentric young assistant, and expert guide Gio. Time is short: the four men must descend before the weather turns. As bonds are forged and tested, the hazardous quest for the earth's lost creatures becomes a journey into Stan's own past. A Hundred Million Years and a Day is a mesmerising story of nature, adventure and of one man's determination to follow his dream, whatever it may take.

In this poignant novel, a man guilty of a minor offense finds purpose unexpectedly by way of his punishment-reading to others. After an accident-or "the misfortune," as his cancer-ridden father's caretaker, Celeste, calls it-Eduardo is sentenced to a year of community service reading to the elderly and disabled. Stripped of his driver's license and feeling impotent as he nears thirty-five, he leads a dull, lonely life, chatting occasionally with the waitresses of a local restaurant or walking the streets of Cuernavaca. Once a quiet town known for its lush gardens and swimming pools, the "City of Eternal Spring" is now plagued by robberies, kidnappings, and the other myriad forms of violence bred by drug trafficking. At first, Eduardo seems unable to connect. He movingly reads the words of Dostoyevsky, Henry James, Daphne du Maurier, and more, but doesn't truly understand them. His eccentric listeners-including two brothers, one mute, who moves his lips while the other acts as ventriloquist; deaf parents raising children they don't know are hearing; and a beautiful, wheelchair-bound mezzo soprano-sense his detachment. Then Eduardo comes across a poem his father had copied by the Mexican poet Isabel Fraire, and it affects him as no literature has before. Through these fascinating characters, like the practical, quick-witted Celeste, who intuitively grasps poetry even though she never learned to read, Fabio Morábito shows how art can help us rediscover meaning in a corrupt, unequal society.

"This is a Borzoi book"--Copyright page.

Second edition of Gloria Anzaldua's major work, with a new critical introduction by Chicano Studies scholar and new reflections by Anzaldua.

A previously untranslated classic of Portuguese feminist literature originally published in 1978, Carvalho's Empty Wardrobes introduces English-speaking readers to a forgotten and underappreciated woman writer a la recent publishing sensations Lucia Berlin, Natalia Ginzburg, Ingeborg Bachmann, Silvina Ocampo, and Armonia Somers. Empty Wardrobes is a tightly plotted, highly entertaining read, that, thanks to an ingenious detached narrative technique (one that makes the plot all the more fun to revisit and rethink), is both darkly humorous and devastatingly true.

A searing, beautiful novel meditating on war, violence, memory, and the sufferings of the Palestinian people Minor Detail begins during the summer of 1949, one year after the war that the Palestinians mourn as the Nakba-the catastrophe that led to the displacement and exile of some 700,000 people-and the Israelis celebrate as the War of Independence. Israeli soldiers murder an encampment of Bedouin in the Negev desert, and among their victims they capture a Palestinian teenager and they rape her, kill her, and bury her in the sand. Many years later, in the near-present day, a young woman in Ramallah tries to uncover some of the details surrounding this particular rape and murder, and becomes fascinated to the point of obsession, not only because of the nature of the crime, but because it was committed exactly twenty-five years to the day before she was born. Adania Shibli masterfully overlays these two translucent narratives of exactly the same length to evoke a present forever haunted by the past.

"I thought that I had already thought about everything you could think about Love when Henry Drummond's sermon fell into my hands. My life changed a lot from the moment I read the words in this book and tried to put his teaching into practice." "Paulo Coelho" "If I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a clanging cymbal." At some point, all of us have heard this passage from St. Paul's Letter to the Corinthians. But do we really understand his message? At the end of the 19th century, the young missionary Henry Drummond was asked to replace a famous preacher. Though at the beginning he did not convince the audience, they were soon captivated by his analysis of the words of the Apostle Paul. This sermon, The Greatest Thing in the World, has become a classic and is, without doubt, one of the most beautiful texts ever written on love. Drummond broke it down into the following nine elements: patience, kindness, generosity, humility, gentleness, dedication, tolerance, sincerity and innocence. Contrary to what we are used to hearing, the greatest treasure in the spiritual life is not faith, but love. No matter what your religious beliefs are, this feeling is, without doubt, the most rewarding way to live. In The Supreme Gift, Paulo Coelho adapts Henry Drummond's text, offering a real and powerful message that will help us incorporate love into our daily life and experience all its transformational power in our lives.

Oksana Zabuzhko, author of "the most influential Ukrainian book in the fifteen years since independence," Fieldwork in Ukrainian Sex, returns with a gripping short story collection. Oksana Zabuzhko, Ukraine's leading public intellectual, is called upon to make sense of the unthinkable reality of our times. In this breathtaking short story collection, she turns the concept of truth over in her hands like a beautifully crafted pair of gloves. From the triumph of the Orange Revolution, which marked the start of the twenty-first century, to domestic victories in matchmaking, sibling rivalry, and even tennis, Zabuzhko manages to shock the reader by juxtaposing things as they are--inarguable, visible to the naked eye--with how things could be, weaving myth and fairy tale into pivotal moments just as we weave a satisfying narrative arc into our own personal mythologies. At once intimate and worldly, these stories resonate with Zabuzhko's irreverent and prescient voice, echoing long after reading.
