Trump's Unfinished Business offers a prophetic template to change the face of politics & save the nation from moral rot & Civil War. In one book, you will find new applications of God's commands that can be used to break up the Tech Giants' monopoly, create a Digital Bill of Rights, reform Family Law, protect children, enshrine true equality, educate our youth, and deal sensibly with Climate Change. "We need pastors

and preachers to read this book "Trump's Unfinished Business" and apply the Law of God correctly, and preach it again to America & the world." ALLAN PARKER President of The Justice Foundation, Lead counsel for Norma McCorvey (the "Roe" of Roe v. Wade) & Sandra Cano ("Doe" of Doe v. Bolton) "The insights of this book will provide hope for the future of America & preserve its calling as a lighthouse to the nations during our turbulent times." DR. DENNIS LINSAY CEO of Christ for the Nations "Steve Cioccolanti has nailed it with 'Trump's Unfinished Business.'... [He] is walking into the swamp with this book & showing us how to drain it!" JULIE DIEZ Paralegal "The vision contained in Steve Cioccolanti's book Trump's Unfinished Business is far-sighted, wide-reaching & convicting...Cioccolanti is offering the Body of

Christ the clearest path to employing the Biblical template to unite us as a nation & avoid civil war." LORILYN ROBERTS Award-winning Author "Let me say Cioccolanti's "Trump's Unfinished Business" is truly excellent. Each chapter adds new insights...His analysis of the law is truly impressive & I particularly appreciate his proposals to improve the legal system & the broken family law court. I will be gladly passing this book around to my friends & esteemed colleagues. I highly recommend it." DR. AUGUSTO ZIMMERMANN, PhD Head of Law, Sheridan College, Perth "In this book, Steve Cioccolanti exposes what has gone wrong, and he recommends solid ideas on how to set them right.... by going back to what is taught in the Bible." RICH MARSH Ex-Navy, Career Consultant "Cioccolanti's book is clearly

visionary...For too long, the Bible has been sidelined in education due to an erroneous application of the principle of 'separation of church and state.'" DR. JOHN MCELROY Director of Southern Cross Association of Churches "Steve Cioccolanti has taken up a subject which I believe is a first... His writing is very thought-provoking, creative and visionary... I would imagine the laws in this book will be very close to the ones Yeshua will set up for the world when He comes to reign... This much-needed book... has come at a time with the Republic of the United States is fighting for its life." SHIRA SORKO-RAM Pioneer of the Jewish Messianic movement in Israel since 1967 "Trump's Unfinished Business will serve as a template for all leaders whether they are in the US, Australia or Korea. I would like to see it made available to

voters before major elections. I am really amazed by Steve Cioccolanti's insights into the American cultural war. His coverage of many subjects is very deep. I find the techniques that American leftists use to distort facts and the truth are also used here in South Korea...This book is a great opportunity to problem solvers to learn how God's principles work in human society."
