History and Performance Tips. This classic children's song was written
by Dr. Alfred B. Smith. Traditionally it is performed using the
"audience echo" technique--after the 1st, 2nd and 4th lines of each
verse, the audience echoes back the action referred to in the lyric. For
example, the audience responds to the first line of the song ("If you're
happy and you know it, clap your hands") by clapping their hands
twice, on the second and third beats of the second bar of the line.
