Hubbard & O'Brien is the only book that motivates students to learn economics through real business examples. The #1 question students of economics ask themselves is: Why am I here, and will I ever use this? Hubbard & O'Brien answer this question by demonstrating that real business use economics to make real decisions on a daily basis.

Microeconomics By R

of economics through real-world business examples One of the challenges of teaching Principles of Microeconomics is fostering interest in concepts that may not seem applicable to students' lives. Microeconomics, Fifth Edition makes economics relevant by demonstrating how real businesses use economics to make decisions every day.
