Before this book my daughter would get frustrated while drawing because she wasn't seeing the object immediately. By putting the drawing as 4 steps, with each the steps being repeated until the 4th step, she realises now that it may not look like a fox, a hotdog, a boot, a bat, etc with the first few lines but you add detail to get what you want.

**Amazon ...**

I've reviewed a couple of these books. We like them all but for us this one made the biggest impact as a first writing/ drawing tool. My son (just gone 3) was reluctant to do a lot of drawing, but did 19 pages if this book in one sitting. It's very colourful and a bit less obviously educational than some of the others so he thinks of it more as ...
