In this final stanza we see the narrator's anger at his loss come through. He curses a god that he seemingly has a lack of faith in. Throughout *On A Portrait Of A Deaf Man* he eschews the divine in favour of the idea that death is a very permanent reality. He espouses the idea there is no beyond by emphasising the physical nature of a persons death.

Once again, we are in the hands of a narrator whose unreliability is well earned, and the stakes have never been higher.

In this novella Florence Marryat presents the reader with a sometimes playful, but ultimately engaging, challenge to the wider scientific community and its skepticism of the spiritual other. This new edition, edited by Dr Greta Depledge, features an introduction, contextual notes and additional material on contemporary debates.
