Rome's Sacred Flame continues this trend by inserting Vespasian right into the middle of some of the more interesting events of the Emperor Nero's reign. Through Vespasian's eyes we see some of Nero's infamous parties, one of the more significant plots against the Emperor's life, the brewing persecution of the Christians, and, most importantly, the Great Fire of Rome, during which, some sources indicate, the Emperor played the lyre as the city burned.

One man, born in rural obscurity, destined to become one of Rome's greatest Emperors 26 AD: 16-year-old Vespasian leaves his family farm for Rome, his sights set on finding a patron and following his brother into the army, but he discovers a city in turmoil and an Empire on the brink. The aging emperor Tiberius is in seclusion on Capri, leaving Rome in the iron grip of Sejanus, commander of the Praetorian Guard. Sejanus is ruler of the Empire in all but name, but many fear that isn't enough for him. Sejanus' spies are everywhere—careless words at a dinner party can be as dangerous as a barbarian arrow. Vespasian is totally out of his depth, making dangerous enemies (and even more dangerous friends—like the young Caligula) and soon finds himself ensnared in a conspiracy against Tiberius. With the situation in Rome deteriorating, Vespasian flees the city to take up a position as tribune in an unfashionable legion on the Balkan frontier. Even here, rebellion is in the air and unblinded and inexperienced, Vespasian must lead his men in savage battle with hostile mountain tribes. Vespasian will soon realize that he can't escape Roman politics any more than he can escape his destiny.

When passion is punishable by death, can one priestess keep her emotions concealed and help steer the course of history? Ancient Rome is a world of power and privilege, secrets and sacred duty. The esteemed priestesses of Vesta – the Vestal Virgins – are charged with ensuring the Eternal Flame in their temple never goes out. While it burns, Rome cannot fall. They are known as the Brides of Rome. Dedicated to a thirty-year vow of chaste service, Priestess Pomponia finds herself swept up in the intrigue, violence, wars and bedroom politics of Rome's elite – Julius Caesar, Marc Antony and Cleopatra, Octavian and Livia – all the while guarding the secret affection she has in her heart. But when a charge of incestum – a broken vow of chastity – is made against the Vestal order, the ultimate punishment looms: death by being buried alive. Debra May Macleod skilfully recreates the world of ancient Rome with all its brutality and brilliance, all its rich history and even richer legend. Vespasian's mission will lead to violence, mayhem, and theft—and in the end, to a betrayal so great it will echo through the ages Vespasian is serving as a military officer on the outskirts of the Roman Empire, suppressing local troubles and defending the Roman way. But political events in Rome—Tiberius's increasingly insane debauchery, the escalating grain crisis—draw him back to the city. When Caligula becomes Emperor, Vespasian believes that things will improve. Instead, he watches the young emperor deteriorate from Rome's shining star to a blood-crazed, incestuous, all-powerful madman. Lavish building projects, endless games, public displays of his relationship with his sister, Drusilla, and a terrified senate are as nothing to Caligula's most ambitious plan: to bridge the bay of Neapolis and ride over it wearing Alexander's breastplate. And it falls to Vespasian to travel to Alexandria and steal it from Alexander's mausoleum.
