New York Times, USA Today, and International Bestselling series No matter how hard I've tried to let go of Mister Black, the memories of us together torture me. They're an unforgettable reminder of a life I can't have for many reasons. Burying myself in work mostly keeps thoughts of him to a screaming minimum, until he's thrust into my life under circumstances beyond my control. Despite my need for his protection, this time I'm not sure if I'm strong enough to survive with my heart intact. He is Black: a fierce protector and irresistible charmer. I am Red: a trouble magnet and rainbow weaver. Together we ignite. Explosive colors merging at the hottest melting point. NOTE: BLACKEST RED is part 3 in Sebastian and Talia's story in the IN THE SHADOWS series. Their story must be read in the following order: MISTER BLACK (part 1), SCARLETT RED (part 2), and BLACKEST RED (part 3).

Scarlett would never kill her best friend, perhaps a Citizen if the situation called for it, but never Rhys. There are quite a few rules in the training center, but a few are the kind that are never broken. 1. Greens are not sent into Cities without officially being promoted to Blue. 2. Blues don’t kill each other. So why is Scarlett being sent into a City without the proper training? And why does a bizarre, elderly male say Scarlett will kill Rhys? In the Shadow of the Cities details Scarlett’s life in the training center before she is pulled unexpectedly into City life. Without the proper training, she is confused about these things called “families” and why the Citizens aren’t grateful that she is keeping them safe. In this dystopian novel, In the Shadow of the Cities, the story is told not from a Citizen’s point of view but from a Guard’s. Why do the guards seem to tirelessly obey the government? How can they gun down Citizens mercilessly? Find out as you follow Scarlett on her journey into the Cities.

#1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling Flesh and Fire series—set in the beloved Blood and Ash world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel’s future has never been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera’s real destiny is the most closely guarded secret in all of Lasania—she’s not the well protected Maiden but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death’s unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she’s never allowed herself to feel and cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

An unearthly adversary descends on an idyllic fantasy world, corrupting magic against good and slaughtering innocents, and only a single man can stop him.

We all have someone who crossed our path and fundamentally changed us. That one person who blew through our lives, their presence forever stamped on our psyche. They linger in our thoughts, in our hearts, and in the decisions we make. A soul crusher or a dream maker, depending on the perspective. My person is Mister Black. I didn't know him by that name when I first met him. I didn't know him at all, but the impression he left behind was just as powerful as the name I call him today. He is Black: a deadly enforcer and masterful seducer. I am Red: a justice bleeder and willing participant. Together we are passion. Colors colliding through each other's lives. When our secrets converge in a passionate encounter, stepping out of the shadows just might be worth the risk. NOTE: Mister Black is meant for readers 18+ due to mature content. This is part 1 of a serial and is approximately 123 print pages.

A thrilling new fantasy series full of magic and betrayal—from Evelyn Skye, New York Times bestselling author of the Crown’s Game series. Sora can move as silently as a ghost and hurl throwing stars with lethal accuracy. Her gemina, Daemon, can win any physical fight blindfolded and with an arm tied around his back. They are apprentice warriors of the Society of Taigas—marked by the gods to be trained in magic and the fighting arts to protect the kingdom of Kichona. As their graduation approaches, Sora and Daemon look forward to proving themselves worthy of belonging in the elite group—but in a kingdom free of violence since the Blood Rift Rebellion many years ago, it’s been difficult to make their mark. So when Sora and Daemon

encounter a strange camp of mysterious soldiers while on a standard scouting mission, they decide the only thing to do to help their kingdom is to infiltrate the group. Taking this risk will change Sora's life forever—and lead her on a mission of deception that may fool everyone she's ever loved. Love, spies, and adventure abound as Sora and Daemon unravel a complex web of magic and secrets that might tear them—and the entire kingdom—apart forever.
