Key for science a to z puzzle? - Answers

Challenge in science lessons can take one of four forms: this is an oversimplification, but it is simple enough to be useful in the classroom, so here goes. Cognitive conflict – present a scenario that is incompatible with students' current thinking and then present an alternative idea; Pace – limit the time taken to do something ; Off you go... – limit the number of instructions ...

A-Z of Female Singers (Excluding X) - List Challenges

There is one very obvious way in which offices have changed since the outbreak of Covid-19: in London, many of them are empty. Most businesses do not buy much more office space than they used to as space is expensive, meaning that in the average office, even if governments had not imposed lockdowns ...
