Simon Hastings, the Duke of Romsey, was publicly reviled for the tragic death of his wife and unborn child. Simon did nothing to dispel the vile rumour as he was trifle foxed to recall the dreadful incident, thus earning him the moniker, The Duke of Ruin. He eschewed all forms of intoxicants but peace is utterly elusive.

The male protagonist is Ruan/Everleigh (Duke of Ruin himself!). He sets out to gain Miss Greene's hand but not via the courtship you'd expect. He's not the black-hearted ruthless person he is made out to be and he has his own tragic story which unwinds throughout the story.

The Duke of Romsey/Ruin is one of the main features in the previous book and I was curious about his background. It's another heartfelt story. Simon spends his time travelling to avoid his Dukedom, where a tragic occurrence lingers and haunts him. Diana's life has been dictated by her parents, mainly her abnoxious father.

THE DUKE OF RUIN was my first experience with Claudia Stone's writing which for the most part I actually did like. I honestly think she has plenty of potential, but this story needs some serious editing (there were dozens and dozens of typos) and I just don't feel like it was well executed.

The Duke of Ruin was a great story. I sort of fell in love with Simon in bk7 "The Duke of Ice" when he is first introduced as a character. Simon Hasting 12th Duke of Romsey is a pariah in the world of the Ton. Simon is ostracized because people believe he pushed his pregnant wife down a flight of stairs causing her death.
