The Global Code of Ethics (the Code) is the most comprehensive code of ethics for those working in the world of coaching, mentoring, and supervision. The first version of the Code jointly created by the Association for Coaching (AC) and the European Mentoring & Coaching Council (EMCC) was launched in February 2016.

Global Code of Ethics

Global Code began in 2017 in Koforidua, Ghana. Eighteen students and one instructor navigated (and built!) a curriculum based on practical, real-world technology that software engineers use every day: linux, python, git, and platforms like heroku.

Global Code

The EMCC Global Code of Ethics is the professional code of conduct by which our members adhere. It is a means by which we look to regulate the professional practice of all members, and it is the code of their professional responsibility. Many coaches, mentors and supervisors say they chose EMCC as their professional body because of this ethical code.
