Leo Stan Ekeh and the Price for Success

The cost of success depends upon your definition. One of the best formulas for success I ever received was: 1. Decide what you want 2. Decide what you are willing to give up to get what you want 3. Plan your work 4. Work your plan 5. Associate with positive minded people 6. Never give up. I think that's some pretty darn good advice. What do you think? Chuck

The Cost of Success - is it Worth It?

The price of success is often sacrifice. Not doing the easy things. Not being distracted by short-term pleasures that give you immediate gratification. Success often requires delayed gratification. That could mean: Reading more and implementing. It might not pay off for months or even years; Investing for a better life tomorrow; Building up your network
