During the Witching Hour, anything is possible.... Escape into a collection of ten magical worlds from NY Times, USA Today, and national bestselling authors! Witches and wizards roam the pages, along with psychics, fae, vampires, shifters, and more. This boxed set weaves a spell that will enchant you from the very first page! The Witching Hour boxed set includes these ten full-length, first-in-series paranormal romance and urban fantasy novels: **HIDDEN GIFTS** - Christine Pope **SACRIFICE ME, SEASON ONE** - Sarra Cannon **MAGIC IN THE BLOOD** - Kat Parrish **ELEMENTAL ARCANE** - Phaedra Weldon **SWEET DESIRE** - Stacy Claflin **CRESCENT CALLING** - Nicole R. Taylor **BLOODSICK** - Melissa F. Olson **WITCH WAYS** - Katie Tate **SHADES OF MAGICK** - Julia Crane **CAGED WOLF** - SM Reine

Henry just wanted what most others want, a home and family. To live in peace away for the desert mayhem that still haunts his dreams. Returning home he may have found it until the magicians showed up threatening his new idyllic life, his new found friends and especially the boys he has come to befriend. There is a lot more to the magicians than meets the eye. They are Xacarbans inhabiting host human bodies, and they need a new one before they move on. Keywords: Fiction, Suspense, Horror,

Thriller, Magic, Body-Snatchery

From the author of the extraordinary Vampire Chronicles comes a huge, hypnotic novel of witchcraft and the occult through four centuries. Demonstrating, once again, her gift for spellbinding storytelling and the creation of legend, Anne Rice makes real for us a great dynasty of witches--a family given to poetry and to incest, to murder and to philosophy; a family that, over the ages, is itself haunted by a powerful, dangerous, and seductive being. On the veranda of a great New Orleans house, now faded, a mute and fragile woman sits rocking . . . and *The Witching Hour* begins. It begins in our time with a rescue at sea. Rowan Mayfair, a beautiful woman, a brilliant practitioner of neurosurgery--aware that she has special powers but unaware that she comes from an ancient line of witches--finds the drowned body of a man off the coast of California and brings him to life. He is Michael Curry, who was born in New Orleans and orphaned in childhood by fire on Christmas Eve, who pulled himself up from poverty, and who now, in his brief interval of death, has acquired a sensory power that mystifies and frightens him. As these two, fiercely drawn to each other, fall in love and--in passionate alliance--set out to solve the mystery of her past and his unwelcome gift, the novel moves backward and forward in time from today's New Orleans and San Francisco to long-ago Amsterdam and a chateau in the France of Louis XIV. An intricate tale of evil unfolds--an evil unleashed in seventeenth-century Scotland, where the first "witch," Suzanne of the Mayfair, conjures up the spirit she names Lasher . . . a creation that spells her own destruction and torments each of her descendants in turn. From the coffee plantations of Port au Prince, where the great Mayfair fortune is made and the legacy of their dark power is almost destroyed, to Civil War New Orleans, as Julien--the clan's only male to be endowed with occult powers--provides for the dynasty its foothold in America, the dark, luminous story encompasses dramas of seduction and death,

episodes of tenderness and healing. And always--through peril and escape, tension and release--there swirl around us the echoes of eternal war: innocence versus the corruption of the spirit, sanity against madness, life against death. With a dreamlike power, the novel draws us, through circuitous, twilight paths, to the present and Rowan's increasingly inspired and risky moves in the merciless game that binds her to her heritage. And in New Orleans, on Christmas Eve, this strangest of family sagas is brought to its startling climax.

Merlot, Magic, and Murder... The annual Westwick Corners Wine Festival is a time for the popping of corks and, Cen hopes, time for Tyler to pop the question and propose. But when a festival goer turns up dead, it's clear that merlot, magic and murder don't mix! *Witching Hour Dead* is book 5 in the Westwick Witches Paranormal Cozy Mystery series. All books can be read standalone but you'll love the books more if you start with book 1, *Witch You Well*.

Featuring interviews with topflight scholars discussing their work and that of their colleagues, this retrospective of the first hundred years of Columbia Business School recounts the role of the preeminent institution in transforming education, industry, and global society. From its early years as the birthplace of value investing to its seminal influence on Warren Buffett and Benjamin Graham, the school has been a profound incubator of ideas and talent, determining the direction of American business. In ten chapters, each representing a single subject of the school's research, senior faculty members recount the collaborative efforts and innovative approaches that led to revolutionary business methods in fields like finance, economics, and accounting. They describe the pioneering work that helped create new quantitative and stochastic tools to enhance corporate decision making, and they revisit the groundbreaking twentieth-century marketing and management paradigms that continue to affect the fundamentals of global business. The volume profiles several prominent centers and programs that have helped the school adapt to recent advancements in international business, entrepreneurship, and social
