In his phenomenal #1 New York Times bestseller Act Like a Lady, Think Like a Man, Steve Harvey told women what it takes to succeed in love. Now, he tells everyone how to succeed in life, giving you the keys to fulfill your purpose. Countless books on success tell you what you need to get that you don ' t already possess. In Act Like a Success, Think Like a Success, Steve Harvey tells you how to achieve your dreams using the gift you already have. Every one of us was born with a gift endowed by our creator—something you do the best at with very little effort. While it can be like someone else ' s, your gift is yours alone. No one can take it away. You are the only one who can use it—or waste it. Steve shows how that gift holds your greatest chance at success, and the fulfillment of your life ' s mission and purpose. He helps you learn to define your gift—whether it ' s being a problem solver, a people-connector, a whiz with numbers, or having an eye for colors. He makes clear that your job is not your gift; you may use it in your work, but it can also be used in your marriage or relationship, your community, and throughout every aspect of your life. Throughout, he provides a set of principles that will help you direct your gift. " The scriptures say your gift will make room for you and put you in the presence of great men. " Steve reminds us. This book is your roadmap to identifying your gift, acknowledging it, perfecting it, connecting it to a vehicle, and riding it to success. Because Success is the gift you already have. "This book rewarded me with dark, dry chuckles on every page" Reni Eddo-Lodge "Hilarious . . . This original approach to discussing race is funny, intellectual and timely" Independent "The work of a true mastermind" Benjamin Zephaniah I learned early on that, for me as a black professional, to rise through the ranks and really attain power, I needed to adopt the most ruthless of mindsets possible: the mindset of the White Man who would tear your cheek from your face before he even considered turning his one first.

How are you going to snag one if you don't know how to...Think Like a Guy? E! News anchor Giuliana DePandi knows that if you want a little piece of his heart, you're going to have to learn to get into his head--and she shares her knowledge as an on-the-town dater in L.A. into this funny but oh-so-practical and effective volume. DePandi knows what it's like 'out there', and has done extensive field work to learn what turns guys off...and on. Here's a pop quiz: Should you ..mention your mom on a first date? ..cook a guy breakfast after your first sleepover at his place? ...pick at your food when he takes you to dinner? ...tell him how many lovers you've had before he came along? ...leave him long voicemails if you can't reach him on the phone? The resounding answer to all the questions above, according to DePandi, is: NO! You should, in fact, be busy and breezy, offer to pay for dinner, leave short voicemails (and none at all if you don't have anything concrete to say), stay well-dressed and -groomed, and make your guy feel like he's the first to introduce you to anything kinky in bed. Think Like a Guy is a hard-headed practical book for women who acknowledge that men and women simply think differently.

Written as a poignant response to the male-tainted advice in Steve Harvey's bestselling relationship hit Act Like a Lady, Think Like a Man, this revised and updated book is a fitting rebuttal on men, sex, relationships and women getting what they really "reeseally" want. As a current CBS Personality on Atlanta's V103 and Former Sirius Radio host on Jaime Foxx's 'Foxhole', former NFL wife Shanae Hall does not shy away from the difficult conversations in life. In her own funny, fresh, and bold way Shanae prides herself in telling it like it is. In Why Do I Have to Think Like a Man?, which is co-written with her mother Rhonda Frost, the two women hilariously chronicle their experiences of marriage, divorce, and the dating pool, which has included bad boys, professional athletes, 'the nice guy,' the married guy, and powerful businessmen.

Think Like a Man...and here ' s a thought: Start Acting Like a Man The 25 mistakes men make that prevent them from finding and keeping true love This is the perfect companion book to Steve Harvey ' s book Act Like a Lady. There are hundreds of books written for women on how to find a man. Yet, very few books that address the critical things that men do or don ' t do that prevent relationships from thriving and going to the next level. One of my personal goals is to promote marriage, and to help people stay in love. When Steve Harvey wrote the book Act Like a Lady, Think Like a Man, millions of women flocked to purchase a book that was going to show them how to get a man. To be perfectly honest with you, I didn ' t realize the magnitude of how naive we were as women when it came to men. However, I was equally disturbed by the fact that no one was addressing what men needed to do to rectify this relationship thing. Relationships don ' t simply fail because of women; men play a vital role too. I could have easily written one hundred mistakes that men make, but I chose to focus on the twenty-five mistakes that I hear repeatedly from married and single women. It is my hope, that this book will cultivate a more balanced conversation between men and women. More importantly, that this book will shed some light for men on their own relationships and that they will begin to take the necessary steps to foster and create the ultimate love.

In the instant number one New York Times bestseller Act Like a Lady, Think Like a Man, Steve Harvey gave millions of women around the globe insight into what men really think about love, intimacy, and commitment. In his new book he zeros in on what motivates men and provides tips on how women can use that knowledge to get more of what they need out of their relationships, whether it's more help around the house, more of the right kind of attention in the bedroom, more money in the joint bank account, or more truth when it comes to the hard questions, such as: Are you committed to building a future together? Does my success intimidate you? Have you cheated on me? In Straight Talk, No Chaser: How to Find, Keep, and Understand a Man, Steve Harvey shares information on: How to Get the Truth Out of Your Man Tired of answers that are deceptive? Harvey lays out a three-tier, CIA-style of questioning that will leave your man no choice but to cut to the chase and deliver the truth. Dating Tips, Decade by Decade Whether you're in your twenties and just starting to date seriously, in your thirties and feeling the tick of the biological clock, or in your forties and beyond, Steve provides insight into what a man, in each decade of his life, is looking for in a mate. How to Minimize Nagging and Maximize Harmony at Home He said he'd cut the lawn on Saturday, and you may have been within reason to think that that meant Saturday before ten in the evening, but exploding at him is only going to ruin the mood for everyone, which means no romance. Steve shows you how to talk to your man in a way that moves him to action and keeps the peace. And there's much more, including Steve's candid answers to questions you've always wanted to ask men. Drawing on a lifetime of experience and the feedback women have shared with him in reaction to Act Like a Lady, Think Like a Man, Harvey offers wisdom on a wealth of topics relevant to both sexes today. He also gets more personal, sharing anecdotes from his own family history. Always direct, often funny, and incredibly perceptive, media personality, comedian, philanthropist, and (finally) happily married husband, Steve Harvey proves once again that he is the king of relationships.
