Health insurance is a product that covers your medical expenses. Like auto insurance covers your car if you get into an accident, health insurance covers you if you get sick or injured. Health insurance also covers preventive care – i.e., doctors visits and tests before you get sick. In this article:

# Read Online Understanding Health Insurance A Guide

Health insurance is one of the most important investments we ever make. Illnesses, injuries, and other medical setbacks can be astronomically expensive if hospital visits, surgery, or other serious measures are required; maintaining health coverage is the only way to ensure we aren't stuck covering these emergency medical costs out-of-pocket.
